Speaking and Listening Assessment

Candidate Paper

Assessment Number: *SAMPLE*

Task One

You must contact the local DIY store to ask for some information.

This could be to ask:

- if you can hire tools.
- what the store opening times are.
- or whether they have some tools or materials that you need for a DIY job.

Make sure that you check that you have understood what you have been told.
You can write things down if you want.

Task Two

Take part in a group discussion about your experiences of DIY.

This could include:

- Things that have gone wrong with DIY tasks
- Your own points of view about DIY
- Health and safety in DIY

Give your own points of view and listen to what other people are saying.
Check that you have understood what other people have said.
