NOCN's Skills for the Fashion Industries qualifications have been designed to support the development of the UK fashion and clothing industry through the provision of a more skilled workforce.

Together, the qualifications provide learners with a realistic introduction to, and progression within, the apparel industry and encourage the development of business understanding, and creative, technical and practical skills.

On-going collaboration and consultation with Skillfast-UK has ensured that these qualifications meet both the national standards and the specific needs of the sector.

Who are these qualifications for?

These qualifications have been designed to meet the needs of a broad range of learners who:

- are looking for a career in the fashion industry but are unsure of the opportunities or skills required
- are already employed in the fashion industry but wish to extend or develop their skills.
- are looking for a career in the fashion industry and have a clear idea of the area in which they wish to specialise

Please Note:

These qualifications do not confer vocational competence in themselves but enhance the skills needed within the fashion industry.

The minimum age for access to these qualifications is:

- 14 for Level 1 qualifications.
- 16 for Level 2 and Level 3 qualifications.

Key benefits for your Learners

These qualifications will allow your learners:

- to prepare themselves for a career in the apparel sector of the fashion industry
- to work towards a qualification at their own pace
- the flexibility and choice to explore different career options and identify suitable opportunities
- the opportunity to receive certification for individual units
- to take assessments that meet the apparel industry requirements
- flexibility, allowing them to take assessments at anytime, using methods to suit their learning aims and styles
- to achieve a qualification that is nationally recognised
- the opportunity for progression onto other training and qualifications within the Qualifications and Credit Framework.

Key benefits for your Centre

These qualifications:

- are accredited by the regulatory authorities
- are flexible and learner-centred, to enable you to provide a course that meets the particular needs of target learners
- are nationally recognised and quality assured
- are suitable for use in a variety of learning environments.

All our providers have access to good practice, curriculum advice and support through their Open College Network (OCN).
