Bradford College

Sector: Qualifications

Location: Sheffield, UK

[Bradford College](#) is one of the biggest Further Education colleges and providers of Higher Education outside of the university sector in the country. It has been delivering quality Further and Higher education and training for more than 180 years. The college has been working with NOCN since 2013 and the work is currently focused on employability skills.

Miguel Montescano, Head of Department – Communities and Work, Bradford College, says: “We choose to work with NOCN because of its flexibility, familiarity, user friendly units/qualifications, support and logical framework. What really makes NOCN stand out as an awarding body of choice is the fact that its qualifications are student/tutor-centred, making them easy to deliver and ensuring the best experience and outcome for learners.”
