## WHO ARE WE?

NOCN Group is an educational charity whose core aims are to help learners reach their potential and organisations thrive. The group includes business units specialising in regulated UK and international qualifications, End Point Assessment, Access to Higher Education, assured short courses, SMART job cards, assessment services, consultancy and research.

Our heritage rooted in upskilling workers for redeployment in industrial Britain informs our social mobility agenda and our charitable status drives our purpose and activity.

- We believe passionately in the power of education and its impact
- We want more people to engage in education, apprenticeships and skills training, more often in their lives
- We want to build awareness and promote the positive value of education, apprenticeships and skills training to employers, learners and parents.
