

Functional Skills feedback report request

NOCN are dedicated to the support and progression of learners accessing Functional Skills qualifications. The Functional Skills support you and your learners can access through learner feedback for Functional Skills external assessments ensures that individual learner feedback is accessible for Level 1 and 2 Functional Skills assessments.

All of our Functional Skills external assessments are examiner marked. It is possible to give feedback on external assessment by applying for feedback using the form below. The feedback report will identify and focus on the areas of skills mapped to the Skills Standards and Coverage and Range for Functional Skills. The Principal Examiner will report on the learners development requirements and outline the specifics. The reports are per subject therefore for English, Reading and Writing are separate assessments and separate reports. The report will be completed by the subject specialist Principal Examiner for Functional Skills.

The following reports can be requested:

Feedback Type	Centre Fee
Individual comprehensive feedback report	£25.00
Remark only	£25.00
Re-marking and feedback report	£40.00

The request for an individual comprehensive feedback report or remarking and feedback report will need to be made within 3 months of the assessment date. NOCN will ensure that the report reaches you within 10 working days*.

If you would like to request either an individual comprehensive feedback report or a re-marking and feedback report for Functional Skills external assessments to support the development of the learner, please complete the form below and send it to compliance@nocn.org.uk.

NOCN will confirm receipt of the request within 3 working days and ensure that the complete report is with you within 10 working days.
