

## Notification:

### **NOCN Level 1 Award in Domestic Retrofit Awareness (610/6941/3)**

Dear Colleague,

As part of our commitment to provide qualifications in line with industry requirements we regularly review and develop new qualifications across all occupations.

The NOCN group has developed the following new qualification:

#### **NOCN Level 1 Award in Domestic Retrofit Awareness.**

**The qualification will be available for Centres to register their learners from the 23<sup>rd</sup> February 2026.**

The purpose of this qualification is to equip learners with the basic knowledge to understand the fundamental principles of domestic retrofit.

This Level 1 qualification provides learners with an overview of building construction and materials, heat loss principles, what domestic retrofit means and why it is important, basic health and safety in retrofit work, and career opportunities in the retrofit sector.

There are 2 mandatory components to this qualification.

#### **Mandatory Group**

**Learners must achieve 2 credits from the 2 mandatory components:**

Unit	M/O	Level	Ofqual Unit Ref	Credits	GLH	Assessment
Understanding buildings and construction	M	1	L/651/9039	1	7	Portfolio of Evidence
Introduction to Retrofit and Career Opportunities	M	1	T/651/9040	1	7	Portfolio of Evidence

Quartz web, Website and Horizon, will be updated accordingly with the new Qualification - [\*\*NOCN Level 1 Award in Domestic Retrofit Awareness \(610/6941/3\)\*\*](#).
