

NOCN_Cskills Awards Level 1 Award in Health and Safety in a Construction Environment

Notification:

New Level 1 Health and Safety in a Construction Environment learner workbooks

Dear Colleague,

We are pleased to confirm that two new reformatted versions of the learner workbook have been created for the above qualification (603/2371/1).

One of the workbooks is a printable version and the other is an editable word document which can be completed on-line.

The qualification assessment can be completed by taking either the knowledge test, or through completion of one of the learner workbooks.

The Learner workbooks are available on v-learn.

The screenshot displays a user interface for a learning management system. At the top, a purple header bar contains the text "5.2 - Building and Construction" and "Building and Construction Courses", with a "View More" link and arrow. Below this, the "Asset Folders" section is shown, featuring a grid of 12 colorful folder cards. Each card includes a play button icon, a star icon, and a three-dot menu icon. The folders are: Bricklaying (red), Built-up Felt Roofing (teal), Carpentry & Joinery (green), Confined Spaces (orange), Construction and Civil Engineering Services (dark blue), Construction Multiskills (pink), Construction Plant or Machinery Maintenance (blue), Dry Lining (teal), Experienced Worker Practical Assessment Route (green), Floorcovering -Textile & Impervious (orange), Formworking (dark blue), and Health and Safety in a Construction Environment (pink). The "Health and Safety in a Construction Environment" folder is highlighted with a larger, more detailed preview image showing safety-related icons and text.

If you have any questions, please contact your dedicated customer co-ordinator on:

0300 999 1177 (select option 1, then 3)

Kind regards,

NOCN
