EPA Standard - Level 2 Bricklayer

Dear Colleague,

As part of our commitment to provide End Point Assessments in line with assessment plan we regularly review all qualifications across all occupations.

A review has been made of the **Bricklayer (1.1)** assessment plan. The guidance in the assessment plan contains an inconsistency regarding the apprentice's portfolio. Based on our experience, apprentices have better outcomes when they have their portfolio available during their Oral Questioning, so we expect every apprentice to have access to their portfolio during this part of the assessment.
