

New Notification:

NOCN Level 3 NVQ Certificate in Occupational Health and Safety

Dear Colleague,

As part of our commitment to provide qualifications in line with industry requirements we regularly review all qualifications across all occupations.

Therefore the NOCN group has developed the following qualification:

The NOCN Level 3 NVQ Certificate in Occupational Health and Safety qualification has been developed for achievement in a work environment.

The purpose of this qualification is to equip learners with the knowledge and understanding to progress into a job role in health and safety. It is generic and therefore suitable for those wishing to work in health and safety positions in a variety of sectors.

This qualification enables the learner, to recognise their skills, knowledge and understanding as well as demonstrating their competence in the workplace when carrying out the role of a Health and Safety Officer.

·
