

**New Notification:**

**NOCN\_Cskills Awards Level 3 Award in Energy Efficiency Measures for Older and Traditional Buildings**

Dear Colleague,

As part of our commitment to provide qualifications in line with industry requirements we regularly review all qualifications across all occupations.

Therefore the NOCN group has developed the following qualification:

This qualification is vocationally based and it aims to enable people to recognise and understand the knowledge, skills and materials associated with the installation and retrofit of energy efficiency measures to traditional (pre-1919) Buildings. The qualification is designed for learners to obtain a recognised qualification in energy efficiency.

**- NOCN\_Cskills Awards Level 3 Award in Energy Efficiency Measures for Older and Traditional Buildings (603/6072/0), available as from 1 August 2020.**

Units that sit in the Mandatory Group, as listed below:

**K/618/2841** - Making Recommendations and Give Advice on Introducing Energy Efficiency Measures to Older and Traditional Buildings.

**M/618/2842** - Evaluate the Appropriate Options for Introducing Energy Efficiency Measures to Older and Traditional Buildings.

**T/618/2843** - Recognise the Age, Nature and Characteristics of Older and Traditional Buildings

TQT for this qualification is 30

GLH for this qualification is 21

• Quartz web, Horizon has been updated accordingly and on the Website the new Qualification Specification/units are attached in the **DOWNLOADS/UNITS** tabs for your information.
