NOCN_Cskills Awards Level 4 Construction Site Supervisor Diploma

Dear Colleague,

As part of our commitment to provide qualifications in line with industry requirements we regularly review and develop new qualifications across all occupations.

The NOCN group has developed a new Higher Technical Qualification (HTQ).

- **NOCN_Cskills Awards Level 4 Construction Site Supervisor Diploma (603/7881/5)**

This qualification will be available for Centres to register their learners from the 1 September 2023.

The purpose of this qualification is to equip learners with the knowledge, understanding and skills to work in a supervisory role on a construction site.

This level 4 qualification covers the underpinning knowledge, skills and behaviours of the Construction Site Supervisor Apprenticeship Standard including:

- Health, Safety and Welfare
- Sustainability
- Construction Technology and Management
- Planning and Organising Work
- Monitoring Quality and Costs.

The qualification is aligned to the Knowledge, Skills and Behaviours of the Level 4 Construction Site Supervisor Apprenticeship Standard and can be delivered to apprentices on-programme, working towards the standard.

It could also be completed by learners who are not on an apprenticeship programme, who want to continue their education and develop their skills for progression to employment or to further learning or those working in a site supervisor job role.
