

Notification:

ST0322 – Refrigeration air conditioning and heat pump engineering technician – Level 3- V1.1

Dear Colleague,

We are pleased to announce that NOCN has now developed the Refrigeration air conditioning and heat pump engineering technician – Level 3 - V1.1 apprenticeship standard and can now start delivering End Point Assessments.

All of the documents associated with this standard are now live and can be found on the Rubric/epaPRO platform for centres that have a contract on this standard.

The documents available to centres include;

- End Point Assessment Guide
- Development Journal Synopsis
- Practical Equipment List
- Project and Task Evidence Template

Please see the link below to the new apprenticeship standard.
