Notification:

ST0154, Level 3, Maintenance and Operations Engineering Technician, V1.5, 610/6927/9

Dear Colleague,

We are pleased to announce that NOCN has been approved to offer End Point Assessment services for a new version of following apprenticeship standard:

- ST0154, Maintenance and Operations Engineering Technician, V1.5

The changes that have occurred in this version when compared to the previous include:

- The updated version (1.5) is the outcome of a systems update from Skills England and has not resulted in any material change to the assessment plan, so therefore all assessments will remain the same.

This new version will now go into the Product Teams development schedule and the planned date for launch will be in the **Summer of 2026**.

Please see the link below to the new version.
