

Notification:

ST0271 - NOCN Level 2 End Point Assessment Steel Fixer V1.3

Dear Colleague,

Please see details below about a new standard version of the Steel Fixer apprenticeship.

NOCN Group has received notification that Skills England has released a version of the assessment plan for the following standard which we now offer:

ST0271 - NOCN Level 2 End Point Assessment Steel Fixer V1.3 (610/6843/3)

The updated version (1.3) is the outcome of a systems update from Skills England and has not resulted in any material change to the assessment plan, so therefore all assessments will remain the same.

This latest version will now go into the Product Teams development schedule and the planned date for launch will be in the **Summer of 2026**.

The standard is open for bookings on the CRM Rubric system.

Please see the link below to the latest version.
