We are operating business as usual for all of the One Awards centres and provision. One Awards staff continue to operate remotely and will continue to support centres with their requirements for the Quality Mark, Bespoke Units of Accreditation, Training/CPD and Access to Higher Education Diplomas. All External Quality Assurance and Access Moderation activities will be completed remotely from Thursday 5th November.

Our staff are fully operational and can be contacted during normal office hours. Please do not hesitate to get in touch with any queries you may have [admin@oneawards.org.uk](mailto:admin@oneawards.org.uk) or 0191 518 6550.
