The Level 2 NVQ Diploma in Site Logistics Operations (Construction) -Plant qualification has been developed for achievement in a real workplace environment which means you need to be employed to undertake this qualification. This qualification enables you, the learner, to demonstrate and recognise your skills, knowledge and understanding and to demonstrate your competence in a real workplace environment so you can work in Plant Site Logistics within the construction industry. You will be assessed against a set of performance and knowledge statements which have been derived from National Occupational Standards for your occupational area.

## **Topics Covered In This Qualification**

Refer to the Product Overview

## **Entry Requirements**

There are no formal entry requirements to take this qualification. This qualification can be undertaken without any previous training or qualifications in this subject area.

## Progression

On completion of this qualification you will have obtained the skills, knowledge and understanding and demonstrated competence to progress on to higher level qualification in the same or similar occupational area or enable entry into supervisory and management positions within the workplace.

Industry will accept the qualification on its own as entry to a job role.

For further details on other qualifications available in this occupational area, see our Qualification Search.

## Qualification Structure

The Qualification structure below specifies the combination of units that need to be achieved for the individual to be awarded the qualification.

**Qualification Title: L2 NVQ Diploma in Site Logistics Operations (Construction) -Plant**

**Minimum Credit Value: 51**

**Total Qualification Time (TQT) for this qualification: 510**

An estimate of the total time it could reasonably be expected for a learner to achieve a qualification. TQT includes guided learning hours (GLH) plus estimate of the time a learner is likely to spend in preparation, study or other learning activities as directed by but not under the immediate guidance of a lecturer, supervisor, or tutor.

**Minimum Guided Learning Hours (GLH) for this qualification: 170**

The time a learner spends in activities under the immediate guidance or supervision of a lecturer, supervisor, or tutor. This includes assessment if under supervision.

**To achieve this qualification a minimum of 51 credits need to be attained. This comprises the 4 mandatory units plus 3 units from 3 of the available 4 optional unit groups.**

## Units

**Qualification Structure :** To achieve this qualification a minimum of 51 credits need to be attained. 17 credits must be achieved from the Mandatory Group and 34 credits must be achieved from at least 3 of the 4 Optional Groups. (Min Credits : 51)

**Mandatory Group :** The learner must achieve 17 credits from the units in this group. (Min Credits : 17)

Title	Reference	Credit Value	Level
Preparing and operating powered units, tools or pedestrian plant, machinery or equipment in the workplace	F/506/4672	7	Level 2
Moving, Handling and Storing Resources in the Workplace	F/503/1171	5	Level 2
Conforming to Productive Working Practices in the Workplace	J/503/1169	3	Level 2
Conforming to General Health, Safety and Welfare in the Workplace	A/503/1170	2	Level 1

**Optional Groups :** The learner must achieve 35 credits from 3 of the 4 Optional Groups. (Min Credits : 34)

**Optional Group A :** The learner may achieve units from this group. (Min Credits : 10)

Title	Reference	Credit Value	Level
Slings and hand signalling the movement of suspended loads in the workplace	R/506/3929	10	Level 2
Segregating the Area for Highways Works in the Workplace	K/503/9622	12	Level 2
Preparing to and directing and guiding the movement of vehicles, plant or machinery in the workplace	A/506/4668	12	Level 2
Preparing for, and arranging and securing plant or machinery for transportation in the workplace	F/506/4669	16	Level 2

**Optional Group B :** The learner may achieve units from this group. (Min Credits : 12)

Title	Reference	Credit Value	Level
Preparing and operating tower cranes to lift and transfer loads in the workplace	H/506/4602	80	Level 2
Preparing and operating telescopic handlers to lift and transfer in the workplace	F/506/4610	25	Level 2
Preparing and operating skip handlers to lift and transfer loads in the workplace	Y/506/4614	18	Level 2
Preparing and operating sideloader forklifts to lift and transfer loads in the workplace	L/506/7851	16	Level 2
Preparing and operating self-propelled modular transporters - SPMT - to lift and transfer loads in the workplace	H/506/4616	30	Level 2
Preparing and operating rough terrain masted forklifts to lift and transfer loads in the workplace	F/506/4607	18	Level 2
Preparing and operating remote controlled tower cranes to lift and transfer loads in the workplace	H/615/8277	30	Level 2
Preparing and operating reach trucks to lift and transfer loads in the workplace	J/506/4611	16	Level 2
Preparing and operating overhead cranes to lift and transfer loads in the workplace	T/506/4605	18	Level 2
Preparing and operating mobile cranes to lift and transfer loads in the workplace	K/506/4603	95	Level 2
Preparing and operating lorry loaders or knuckle booms to lift and transfer loads in the workplace	R/506/4613	30	Level 2
Preparing and operating industrial forklift trucks to lift and transfer loads in the workplace	J/506/4608	16	Level 2

Preparing and operating hoists to lift and transfer loads in the workplace	L/506/3928	12	Level 2
Preparing and operating excavator cranes to lift and transfer loads in the workplace	A/506/4606	30	Level 2
Preparing and operating crawler-tractor side booms to lift and transfer loads in the workplace	L/506/4612	50	Level 2
Preparing and operating crawler crane (above 10 tonnes) to lift and transfer loads in the workplace	D/506/4601	80	Level 2
Preparing and operating container handlers to lift and transfer loads in the workplace	D/506/4615	18	Level 2
Preparing and operating compact cranes to lift and transfer loads in the workplace	Y/506/4600	30	Level 2

**Optional Group C : The learner may achieve units from this group. (Min Credits : 12)**

Title	Reference	Credit Value	Level
Preparing and operating truck - mounted boom concrete pumps to receive, pump and discharge materials in the workplace	F/506/4641	70	Level 2
Preparing and operating trailer-mounted concrete pumps to receive, pump and discharge materials in the workplace	M/506/5087	18	Level 2
Preparing and operating tractors with towed equipment for non-agricultural activities in the workplace	R/506/4644	20	Level 2
Preparing and operating self-propelled bowzers to receive, transport and discharge materials in the workplace	Y/506/4645	12	Level 2
Preparing and operating rear tipping dump trucks to receive, transport and discharge materials in the workplace	L/506/4643	30	Level 2
Preparing and operating forward tipping dumpers to receive, transport and discharge materials in the workplace	J/506/4642	16	Level 2

**Optional Group D : The learner may achieve units from this group. (Min Credits : 12)**

Title	Reference	Credit Value	Level
Preparing and operating scissor-type mobile elevating work platforms - MEWP - in the workplace	K/506/4648	12	Level 2
Preparing and operating mast climber-type mobile elevating work platforms - MEWP - in the workplace	H/506/4650	12	Level 2
Preparing and operating boom-type mobile elevating work platforms - MEWP - in the workplace	M/506/4649	14	Level 2

## Qualification Assessment & Grading

You will be assessed against a set of performance and knowledge statements which have been derived from National Occupational Standards for your occupational area. You will be assessed by an occupationally competent and qualified assessor whose job is to work with you and help you complete your qualification. You will be required to produce a Portfolio of Evidence showing how you have met the performance and knowledge criteria for each unit required within the qualification, as directed by your assessor. This qualification is not graded.

## Fair & Equitable Assessment

Assessments designed by centres must be accessible and inclusive and the assessment methodology must be appropriate for individual assessme giving due consideration to any assessment requirements attached to individual components.

## Learners with Particular Requirements

If you are a NOCN Recognised Centre and have learners with particular requirements, please see the NOCN Reasonable Adjustments Policy and Procedure found on the NOCN website at [www.nocn.org.uk](http://www.nocn.org.uk).

This policy gives clear guidance on the reasonable adjustments and arrangements that can be made to take account of disability or learning difficult without compromising the assessment criteria.

The NOCN Centre Recognition process requires the centre to hold policy statements on Equal Opportunities, Diversity and Disability Discrimination which will be reviewed by NOCN. Please contact [assurance@nocn.org.uk](mailto:assurance@nocn.org.uk) for further details.

## Recognition of Prior Learning

Recognising Prior Learning is an assessment process that recognises learning that has its origins in a learner's experience and/or previous formal or informal learning contexts. This includes knowledge and skills gained within school, college, university and outside formal learning situations such as through life, employment, apprenticeships and other work experiences.

NOCN is committed to the Recognition of Prior Learning (RPL) and has developed a policy and procedures to inform and support Centres, which is available on the NOCN website.

## Centre Requirements

In order to gain and retain NOCN qualification approval status, centres must continue to meet the required standards of NOCN regarding internal management and systems, delivery staff, resources and equipment, assessment and training, internal quality assurance and external assessment arrangements. Each requirement is detailed as one of NOCN's Approval Criteria.

For a full list of NOCN Approval Criteria, as well as further guidance and support in meeting that criteria, please refer to the NOCN Quality Assurance Manual, available on the NOCN website under the 'Help & Support' section.

### Centre Staff Requirements

As part of the requirement to deliver this qualification, the Centre staff involved with the delivery, assessment and quality assurance of the qualification must have a demonstrable level of expertise. NOCN expects that all Tutors/Trainers, Assessors and Internal Quality Assurers are able to demonstrate that they have the relevant occupational knowledge and experience to perform their role.

### Tutor/Trainer and Assessor Requirements

A Tutor/Trainer includes anyone within your Centre who is facilitating the training to learners in any environment e.g. tutor, trainer, teacher, coach, facilitator.

A Tutor is not required for NOCN\_Cskills Awards NVQ qualifications, but is required for construction training diplomas. All construction qualifications require an Assessor. For training diplomas, an individual can perform both roles of Tutor/Trainer and Assessor, where they meet the individual requirements for both. Tutors/Trainers and Assessors are not able to perform the role of the Internal Quality Assurer for cohorts where they have delivered training or assessment.

All Tutors/Trainers and Assessors must:

- Hold verifiable knowledge of the occupational standards at or above the level being taught.
- Hold a recognised teaching/training or assessor qualification (dependent on their role), examples of what NOCN will accept are detailed within the Quality Assurance Manual.
- Keep up to date with industry best practice for the duration of their role.
- Maintain a record of Continuous Personal Development (CPD).
- Hold an up to date CV.

Any specific assessment/training requirements are detailed under the Assessment guidance and/or in the requirements section of each unit.

### Internal Quality Assurer Requirements

All construction qualifications must be internally quality assured by an appropriately qualified and experienced IQA. Each Centre must have a quality system which ensures that decisions made by assessors are appropriate, consistent, fair and transparent, and that they do not discriminate any learner. The quality system must ensure the quality of the award, ensuring validity, reliability and consistency. Further guidance regarding the requirements of a Centre's quality system is detailed within the Quality Assurance Manual.

All Internal Quality Assurers must:

- Hold verifiable knowledge of the occupational standards at or above the level they are quality assuring.
- Hold a recognised internal quality assurance qualification (for NVQs only), examples of what NOCN will accept are detailed within the Quality Assurance Manual.
- Understand the content, structure, assessments and training/testing requirements of the units they are quality assuring.
- Keep up to date with industry best practice for the duration of their role.
- Maintain a record of Continuous Personal Development (CPD).
- Hold an up to date CV.

### Resources and Equipment

For training diplomas, centres must have the resource available for the assessment and training requirements as set out by the relevant health and safety acts. There should be adequate provision of physical resources to support the learning and meet the requirements of the qualification/training.

Please refer to the specific resources and equipment specification for each individual training diploma.

## External Quality Assurance

Once recognised as a Centre, NOCN will allocate an External Quality Assurer. The External Quality Assurer will have ongoing responsibility for monitoring the Centre's compliance with the requirements of centre recognised status.

The External Quality Assurer will make regular visits to all Centres. During these visits he/she will:

Monitor the Centre's compliance with the Centre Recognition agreement by reviewing course documentation, meeting managers, tutors, internal quality assurers, learners and administrative staff. Verify recommendations for achievement submitted by the Centre via Quartzweb if the Centre does not have DCS.

Refer to the NOCN Quality Assurance Manual for further information on the External Quality Assurance process.

## Offering This Qualification

### Existing Centres

If your centre is already recognised to offer NOCN qualifications and would like more information about this qualification, please contact: [business-enquiries@nocn.org.uk](mailto:business-enquiries@nocn.org.uk).

Use Horizon to add this qualification to your centre.

### New Centres

If you are interested in offering this qualification, but are not yet a NOCN Approved Centre please see Become a Registered Centre on our website [www.nocn.org.uk](http://www.nocn.org.uk) and complete the New Business Enquiry Form.
